INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §§ 1.56 and 1.97

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §§ 1.56 and 1.97 to inform the Patent and Trademark Office ("Office") of all references coming to the attention of each individual associated with the filing and prosecution of the above-identified application that are or may be related to patentability of the claimed invention, Attorneys for Applicants hereby invite the Examiner's attention to references **A01-A02, B01 and C01-C44** which are listed on the accompanying Form PTO-1449 entitled "List of References Cited By Applicant."

Copies of references **B01 and C01-C44** are submitted herewith. Copies of References **A01-A02**, which are United States patent documents, are not submitted herewith pursuant to 37 C.F.R. § 1.98(a)(2)(ii).

Applicants request that the Examiner review all the references identified on the attached Form PTO-1449, and that they be made of record in the file history of the above-identified application.

No admission is made that the information cited in this Statement is, or is considered to be, material to patentability and no representation is made that a search has been made

(other than a search report of a foreign counterpart application or PCT International Search Report if submitted herewith). 37 C.F.R. §§1.97(g) and (h).

As this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, Applicants estimate that no fee is required. Should a fee be required, please charge the required fee to Jones Day Deposit Account No. 50-3013. A duplicate of this sheet is enclosed for accounting purposes.

Respectfully submitted,

Date: June 1, 2005
